RE: Matthew Abbott v. Starlinger North America, Inc, et al.

Dear Tricia:

Enclosed are the prepared letter rogatory requests for service upon **Starlinger & Company Gesellschaft mbH** and **Maplan Maschinen und technische**, in Austria.

Please have them signed by the Judge and return an original signature version with the court's seal on the signature page, OR "court certified" copy. It is important that the documents you return to us has the **court's original seal, either embossed/raised or ink stamped. A "FILED", "ENTERED", "GRANTED" etc. stamp, or photocopy of the seal, is not sufficient, nor is a rubber stamp of the Judge's printed named UNLESS accompanied by an original court seal.**

If you require an affidavit to support a motion/application to the court for execution, please let us know and one will be immediately provided.

If you have any questions, please do not hesitate to contact us.

Sincerely,

Andrew Raphael
